EPA is a school designed to meet the needs of students with learning differences. How would your teaching of subject matter at EPA differ from your teaching of it in a mainstream school/classroom?

How would your teaching of subject matter in a Christian school differ from your teaching of it in a non-Christian school?

What do you consider to be the proper classroom atmosphere for learning?

What is your philosophy of discipline?

Statement of Faith

- We believe the Bible to be the inspired, the only infallible, authoritative Word of God, inerrant in the original manuscripts.
- We believe the inerrancy of Scripture embraces not only religious truth, but also the Bible's scientific, historical and literary features.
- We believe that there is one God, eternally existent in three persons-- Father, Son, and Holy Spirit.
- We believe in the creation of man and all nature by the direct act of God, as recorded in Genesis.
- We believe in the Deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His atoning death through His shed blood and His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory.
- We believe that all mankind is lost, sinful, and in need of salvation which comes only through regeneration by grace through faith.
- We believe in the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a godly life.
- We believe in the spiritual unity of believers in our Lord Jesus Christ.
